

Your Eclipse Experience Checklist

Accommodation – you will need to have pre-booked your accommodation whether it's camping or glamping, a hotel, motel or private rental. It is important to note that rangers will be out in force targeting illegal camping.

Transport and getting around

Make sure you plan how you will get to the region and get around.

If you are driving to the region, plan your trip including rest and fuel stops. Be patient and courteous to other road users.

Viewing location

Book tickets to one of the official viewing site at ningalooeclipse.com.au or plan where you are going to view the eclipse around the region.

Food and Water

Plan your meals and bring extra food and water supplies.

Eye safety

Make sure you follow the advice on eye safety.

It is never safe to look directly at the sun, and doing so may cause eye damage.
