

# SOLAR ECLIPSE

20 APRIL 2023

Exmouth is the only town within the line of totality and one of the only places on earth to see the Total Solar Eclipse.

The eclipse will occur on the morning of Thursday, 20 April 2023 between approximately 10am and 1pm

While a Total Solar Eclipse occurs somewhere on Earth every 18 months, this event is taking place alongside a UNESCO World Heritage-listed site – the Ningaloo Marine Park.
